**Deviation / Change Fee:**

Your Queenstown Marathon package has been developed as a group movement in order to take advantage of specially negotiated prices when traveling as a group. A fee of \$150.00 per person will apply per deviation or change from the original program, plus the extra costs of new or changed services. If such changes necessitate cancellation of confirmed air or ground arrangements which are subject to cancellation charges, unrecoverable costs will be added to the change fee (this occurs likely within 60 days of departure when air tickets and other documents have been issued).

Please contact our agent, Connie at Protravel Int'l for air quotes. She will quote you the lowest fare from your home city and customize your itinerary to meet your needs.
